We are hoping for a good turnout as several have mentioned they hoped we would meet again this year. Due to new email addresses since 5 years ago, please pass this on to your friends and invite them to come. We have tried to keep this simple by not collecting any money beforehand, so please honor your request for the dinner reservation if you plan on coming.

Please email me back if you are able to be at the Hospitality room Friday night, and/or the dinner buffet on Saturday. If you are unable to come email back greetings with current info and let us know how you are doing, and we will print out and put in a notebook for your fellow classmates to read. This has been organized and brought to you by...
