## WELCOME CLASS OF 1989

Congratulations to the graduating class of 1989. You are now part of a special group of people known as the Alumni of Taft High School.

The Taft Alumni Association was formed to provide a means for Taft Alumni to continue or renew friendships begun at Taft, provide service to the school and most important to preserve its history. Our newsletter is published 3 or 4 times a year to let you know what other alums are going and invite you to special events at Taft especially this year of Taft's 50th anniversary.

As you continue your education, work a full time job or get married, remember us, drop us a line to let us know your new name and/or address and what you've been up to since graduation. This information will be very helpful for your first class reunion 5 or 10 years from now.

Best of luck to all of you, be proud to say you came from Taft High School.

## LOST FRIENDS REUNITE

Dear Kay,

I am writing to thank you for the time and effort you have spent on the newsletter. I always look forward to its arrival and immediately share its content with all of my family. My Mother's cousins are the Ellis clan so it seems there's news of one or the other of them in every issue.

I want to share the very special way the newsletter has touched our lives.

Early last December we received a telephone call from Pat (Engquist) Hubenthal. She was calling to say they were now living in Roswell and had been for several months. Pat and Jim had moved to Georgia from California, but the newsletter was still being delivered to their California address. Their daughter call Pat to tell her that in the latest issue there was another Taft family living in Roswell as well. That family was ours! Without the newsletter, it might have been years before we discovered each other.

To fill in some background, Pat and I had been "best friends" from the time she moved to Norwood Park in the fourth grade. We shared our growing pains from the Onahan years through Taft and on into the college years. Pat's husband, Jim Hubenthal, and my husband, Greg Drummer, were Oriole Park neighbors who were just a year and a half apart in school. They both attended Taft as well.

After several moves on both of our parts, we had lost contact with each other over the past 15 years. What a wonderful reunion we have had! We share weekend "double dates" and

many, many happy memories of our Taft years.

We are planning on joining the celebration of Taft's 50th. We look forward to seeing you and many of our good friends then.

Again, many thanks for the newsletter which has affected our lives so personally.

Sincerely,  
Mary (Seitz) Drummer  
Class of June 1962
