Vol. XVI No. 2

Summer 2002

## WELCOME TAFT CLASS OF 2002

Congratulations to the graduating class of 2002! You are now part of a special group of men and women known as alumni of Taft High School.

The purpose of the Taft Alumni Association is to provide means for Taft alumni to continue or renew friendships begun at Taft, provide service to the school and most importantly to preserve its history. We publish a news-letter four times a year to let you know what other alumni are doing, keep you informed of activities affecting the Taft community and to invite you to special events at Taft.

As you continue your education, work a full-time job, or

get married, remember us. Drop a line to let us know your new name or address and what you have been doing since graduation. This information will be very helpful for your first class reunion five or ten years from now.

An application form to join the Association is on the last page of this newsletter. The membership fee is \$15 - which covers two years of membership. Considering the rising costs of printing and postage of these newsletters, that's a pretty nice bargain! We wish the best of luck to you. Hold your head high and be proud to say you came from Taft High School.

## Alumni Scholarships

By **Shirley DeWeese** (June 1960)

Four scholarships were presented to deserving Taft graduates this year. Two \$500 awards and two \$1000 awards were given out, thanks to the generosity of former Taft students.

**Arlyn Dianne Larin Griego** was a Beat 1680 Club volunteer, a member of the Academic Decathlon, Math Club and National Honor Society. She hasn't completely narrowed down her vocational choice yet, but is leaning towards a medical or business field. As of press time, she had not chosen which of the four universities she has been accepted to. She was awarded a \$500 TAA scholarship.

**John Tsarouchas** earned the other \$500 TAA scholarship. Northwestern University has the honor of being chosen by John to help him with his goal of becoming a magazine/newspaper reporter or editor. With his excellent scholastic aptitude and strong physical presence, he earned the school's "most likely to succeed" and "most school spirit" recognitions by his peers. He was President of the National Honor Society, Captain of Varsity Football and Editor of the Taft Today newspaper and still maintained a 4.55 grade point average overall.

The **Robert "Bill" Hendricksen** Scholarship Award was begun last year by his wife, **Darlene Bruemmer** (June 1962). She has committed to funding a \$1,000 scholarship each year in his name. Bill was a member of the June 1960 class and passed away in 1991. Darlene encourages other alumni to do the same for loved ones they have lost.

This year's recipient of the Hendricksen scholarship is **Gabriela Escobar**. Five Universities want Gabriela to come to their school this fall. University of Illinois - Chicago will be her goal this fall to start towards her dream of being a children's psychologist. Although she worked after school for four years, she enjoyed being part of the Poetry Club and maintained a 3.03 grade point average overall.

A second special Alumni scholarship award was created in honor of **Penny Rhodes Ek**. Her classmates and husband, **Ron Ek**, established the Penny Rhodes Ek Memorial Scholarship as a onetime award in Penny's honor. She was a member of the June, 1960 class and passed away in February 2002. Penny, Ron and their three sons are all Taft alumni. They are very proud Taftites and Penny was an incredible person.

The recipient of the Penny Rhodes Ek Memorial Scholarship is **Jessica Bernal**. As a very active student at Taft, she excelled at both sport and academic interests. She earned the honor of being Varsity captain of the girls' swimming team (member for 4 years) and also was on the Taft girls' soccer team for the last two years and coached the boys' Varsity soccer team for 4 years. Last fall she earned the first "student of the month" award from her efforts of directing a massive fund-raiser to help victims of 9/11. She and her mother made hundreds of flag ribbons that were sold at school, raising almost \$900. Jessica

## Letters to the Editor

I enjoyed seeing the picture of the Norwood Park Drum and Bugle Corps from 1932. [See Spring 2002 issue] I belonged to the Corps but a little later. It was during World War II. At Douglas Field (which is now O'Hare) the B-17 bomber was built. The citizens of Norwood Park got together and decided to have a B-17 hospital plane built. At the corner of Raven Street and Northwest Highway, on the side of a four story building a painting was done of the airship with the title "SPIRIT OF NORWOOD".

Shoes were rationed during the war and I needed a pair. My mother went to the ration board and they gave her a coupon for a pair because of my war effort in being part of Norwood Park Drum and Bugle Corps.

We played at many bond rallies and other functions until finally enough war bonds were sold to pay for the aircraft. When finished a dedication ceremony was held at the war plant. A prayer for the plane was said by a Rabbi, a Priest and a Minister. As part of the ceremony we got to play. It was an event in my life I will never forget.

Subject: Student Council Photo

The Student Council photo in the 2002 spring issue is most likely the 1953-54 council. I have the 55 and 56 yearbooks and David Nelson was the 54-55 council President, and this is not the Council picture in the 55 yearbook. They were elected for the school year like 53-54 or 54-55. It appears that Jim Hartzler is the President in this picture. He would have been a junior in this picture because he graduated in 55.

Subject: Norwood Park Drum and Bugle Corps Picture

Great picture of the Corps in the last newsletter but had to make an addition of a name... **Maxine Merta** is the little Drum Major in the lower right hand corner. She was the Drum Major for many years and the only Drum Major that I can ever remember... I guess I should say Drum Majorette. She is now **Maxine Merta Clayton** and resides in Florida.

Dear Kay,

Enclosed is my check to cover another two years of the newsletter. I apologize for being so late in renewing my subscription. I thoroughly enjoy each issue and would hate to miss one. [Editor's note: the \$15 fee is for membership into Taft Alumni Association. The newsletter is just one benefit of being a member. There is no subscription available for only the newsletter. J. Bloom, Editor]

My classmates and I graduated from Taft in June 1957. There seems to be quite a bit of news from the January class (and I enjoy reading of those friends also) but not a lot from the June class. I did enjoy the article by **Bev (Sprecker) Laseke** (June 1957) in the last newsletter. I too am a graduate of Ebinger and would like to hear from some of those friends also. Especially **Sue Enabnit**, a good friend from Ebinger and Taft. Any news would be welcome.

My husband and I have been in Atlanta since 1961. We have three grown daughters and seven grandchildren. Up until January of this year we spent our time between Atlanta and Venice, FL. I did speak with **Willie (Monk) Murphy** a few times and she filled me in on the whereabouts of some friends. We were trying to get together with others in the area but never did. (My fault, as we had to go back and forth so much to Atlanta). We are now in Atlanta full time, enjoying our children and grandchildren.

Thank you for all the hard work you do getting the newsletter out. You and all the others involved are doing a great job.

**Ginny (Bobeng) Lewis** (June 1957)

Dear Kay,

How nice of you to put the photograph of our Fife Drum & Bugle Corps in the Taft newsletter. What great memories it brought back. We marched in the 1933 World's Fair in Chicago. If my memory holds true, we won for best band, but disqualified for having fifes included. It was quite a blow, but at least we knew for a while we took first.

I would like to mention that you forgot or I should say, Jeanne forgot to add Maxine Merta's name. She was our majorette and such a pretty young lady. Thanks for the memories!

**Mary Lou (Enger) Krakowski** (June 1942)

Dear Editor:

I, too, am grateful to all the hardworking people who put the Taft Newsletter together. When it comes in the mail I put everything down to read it. It is interesting to read it and find out where a lot of my classmates have settled down. But it is sad to read about the death of many people that I knew.

Among those that have died recently was my sister **Jackie (Drisch) Kuflewski** (June 1946) [See "In Our Memories"]... During the early part of our high school years Jackie took accordion lessons. One of our assignments in Art class (**Ms. Unseth**, a great teacher) was to draw something that happened in our home. So I drew a picture of Jackie practicing her (blasted) accordion. I won an art scholarship to the Chicago Art Institute for my efforts! Jackie was one of thousands of accordion players who performed at Soldiers Field. Funny what little things we think about that happened in the "olden" days!

**Phyllis (Drisch) Juiris** (June 1944)

P.S. Hello to **Frank & Jane Zemaitis**

Dear Kay, et al,

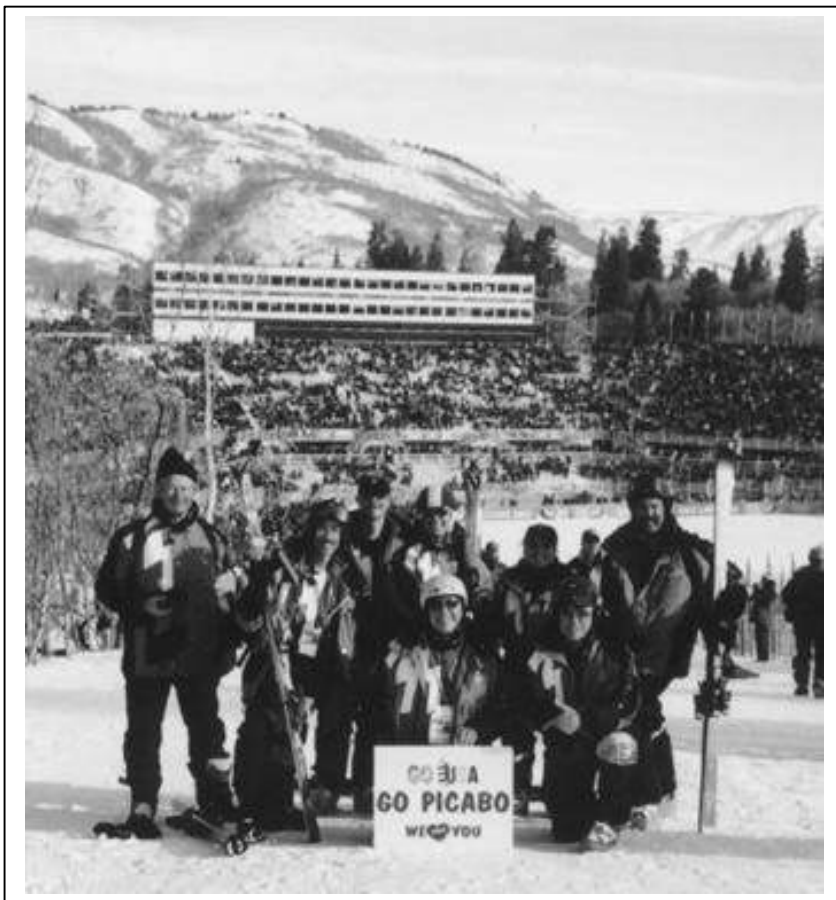

We enjoy the newsletter very much and just received my info on our 50<sup>th</sup> Reunion next year – Jan '53. Always like the various articles written by fellow Tafties on their comings and goings.

This past Feb. 2002 my wife and I worked as volunteers at the Winter Olympics in Salt Lake City, UT. My job was located at Snow Basin Resort (45 miles north of SLC) site of the Men's/Ladies Downhill, Combined and Super G Ski Races. We had 1500 volunteers working on the two racecourses doing all the grooming and preparation by hand, i.e., shoveling snow, raking and stomping the snow etc... for 12 straight days – Feb. 4<sup>th</sup> 'til Feb. 16<sup>th</sup>. The day started at 0330 wake-up, then a one hour drive to the parking lot to arrive by 0500 and on the mountain by 0600 (before dawn) to start our daily grooming. At 1000 the event(s) would start, so we had to have our various things done by then and become spectators until the event was over, about 1300. Some days we had to go back out and work until 4 or 5 in the evening, other days we could ski the rest of the afternoon for free. I also worked at Snow Basin during

the Paralympics, which followed the Olympics by about 10 days. These events lasted for another 12 days. All in all I worked 24 days at Snow Basin grooming the race course(s).

My wife's job was in event services at Park City and Deer Valley but she only worked the Olympics and not the Paralympics.

We both had a great time working these Winter Games, along with a total of 26,000 other volunteers, even though the work was hard and the hours were long. We both received a complete Olympic uniform, an Olympic watch, tickets to the Opening Ceremonies (Dress Rehearsal) and Opening Ceremonies for the Paralympics, tickets to the Medal's Plaza and a post-

Olympic thank you party. We also were able to attend various events we had bought tickets for (son Jay joined us from Chicago) along with free events in the city. Truly a great experience for both of us, we would volunteer again in a heartbeat.

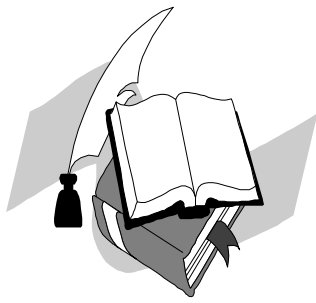

Thanks again for all your hard work on the newsletter.

**H. Paul Rebscher** (January 1953)

Dear Jerry,

I just re-read my last newsletter [Autumn, 2001] looking for the cost of renewal and the mailing address. (check enclosed). I enjoyed re-reading my classmate Eugene Phillip's letter recounting Shirley Kalivoda DeWeese's

Hello One and All,

Thanks a million for your great dedication to all we graduates-you are very special people.

Do hope your operations have healed and you are back feeling good again. The paper is a bright spot in so many lives, cheers from,

Dear Alumni Assn. and Editor of the Newsletter:

Taft opened (?) still unfinished in 1938. The members of the class of 1942 started their high school careers in another school. My group, from Edgebrook, went to Schurz for their first year. We had the option of staying in place or moving on. Most of us went to Taft but a few stayed in place.

Age is a relative thing. I read about the death of a young girl in the "In Our Memories" column. This young lady was in the class two years behind me. When you are 16-17 two years is a long time. After a while, I realized that she must have been 75 when she passed. She may have been 75 to some, as old lady to others, but to me she was and will always be a lovely sweet young thing that I was fortunate to have known.

**Subject:** I have been meaning to write...

I wanted to let you know that your newsletters have spurred a few of us on to search out our former classmates and friends from the Dark Ages.

**Sue Schmid**, who attended Hitch grammar school and a year or so at Taft, contacted me through Classmates.com and we have not only been in contact via email, we have met twice...once in Chicago and once here in Florida. She was also able to locate **Greg Nielsen** (June 1962), another Hitchite and Taft graduate via the same method. I had been looking for Greg on and off for years as he was a close friend of mine back then.

Photo here –L-R: Sue Schmid, Phyllis Miller; seated – Greg Nielsen (all June 1962)

Sue, Greg and I met in south Florida a few weeks ago and spent the day on the beach talking and reminiscing and talking some more. I am including a photo for your collection. I am the one on the right.

Thanks so much for your work on the newsletter. I really enjoy reading about old classmates and what they are doing now.

Dear Taft Alumni Association:

I've received your Alumni Newsletter for the past four (or has it been six?) years. It's great! You do a wonderful job!

I need your help. I graduated from Taft in June 1964. There was a girl I was very good friends with through grammar and high school, and then for a while after high school. We even worked at the same place in 1967 (I think the year is correct). I won't go into all the details of why both of us quit college.

Anyways, one day after work, (we drove together) she said she wanted to move to Macomb, Illinois, home of Western Illinois University. Her boyfriend was there. So, the next morning we "pretended" to go to work. When her mom left for work, we returned to her home, cleaned out her closet and dresser, loaded the car, and headed for Macomb. We got there, she found her boyfriend, **Gary Reed** (January 1964, I think). We unloaded my little VW and I left. That is the LAST time I saw her. That was 38 years ago.

Late last week, I was on our computer and checked for June 64 graduates. There was her name. I could not believe it!

I have wanted so badly to find her all these years. Now, I need your help. If she subscribes to the Newsletter, you can forward my letter to her. If not, maybe someone who gets the Newsletter knows where I can find her. Her Name? **Lillian Norris**. Thank you for anything you can do.

**Subject:** reunion/thanks

Dear Kay,

Thanks for the quick reply. I really appreciate your help once again. I'll remember to send you the information from now on, now that I know. I'm getting over my most recent surgery, a hysterectomy, so I'm on slow freight for a while, but we are hoping to get a date shortly. If we have one before the next issue, doubtful, I certainly will let you know.

Thanks again, Kay. Hope you and Tom are enjoying you new digs.

**Subject:** reunion/

Hi Jerry, Kay and Tom,

Thanks for keeping us all together by way of the Taft Alumni Newsletter.

For all those 1953 Grads, who are wondering about a 50-year celebration, yes, there will be one. We haven't determined exactly when or where, but I plan to start contacting my classmates very soon to get the show on the road. Of course, anyone who would like to participate in the plans is free to contact me, either by phone, mail or e-mail.

Our 45<sup>th</sup> reunion was quite a success. With people like **Marlene (Fenske) Douglas, Judi (Hardman) Moers, Ed Iverson, Don Gregornik**, just to name a few. How could we miss?

The reunion is a joint effort and can't be accomplished solely by one person. We appreciate all the ideas and help we can get. We would also appreciate hearing from anyone who has a new address so we can send information regarding the upcoming reunion in 2003.

Taft Alumni Newsletter:

Just want to say how much I enjoy getting the letters. Enclosed is an "obit" notice of James E. Szurek from our local newspaper. [See "In Our Memories"] We left Chicago for McHenry County (Cary) in 1961 and to Woodstock in 1971. We met Dr. Szurek through his dental practice. However the subject of where we had gone to school had never come up and I was surprised to read this. I'm guessing that from the date of his

graduation from North Park college in '61 he probably was a Taft grad of 1958 or 1959. My husband was active with him at one time in the Woodstock Lions Club.

Today, we are well and happy living on the Fox River again in the Cary area. We do get together each year with dear old school friends, class of '54: **Barb Topczewski-Martini**, husband deceased: **Marilyn Dillon-Blumquist**; **Marge Hase-Harris**; **Virginia Rosenke-Koelling** and **Arlene Nielson-Vecchio**. After many years of no correspondence with each other, it took the death sadly of Barb's husband to reunite us. In the days when we graduated, our yearbook consisted of the compilation of the past years Taft Tribune. The Prophecy Committee had the brainstorm to write a story about Ralph and I in the future fifteen years. As we attend the opening of the new amusement park, El Dorado Isle, out in Lake Michigan, we encounter in one way or the other all of the classmates. It was written by **Carole Dolesh** with the help of others. Very ingenious. It seems like yesterday. Ralph and I will be married 45 years this October. Time does go by. Anyway, keep up the good work.

**Dorothy A. Teufel-Wenzel** (June 1954)

Dear Kay,

Enclosed is my check to cover four years of the Taft Alumni Newsletter. Sorry, but I am two years behind in payment.

When I read the Spring newsletter about retiring our Taft Eagle as our mascot and getting a new LOGO, I felt like someone punched me in the gut! Why? We all grew up with the TAFT EAGLE. He's on the cover of my yearbook. He is the American symbol. The Eagle signifies strength and determination and that's what our Alumni is all about. A lot of us WAR VETERANS that graduated from Taft look to that Eagle with pride. Before you decide on a winner of the TAA Logo Contest, how about putting this issue up to a vote among the Alumni whether the Eagle stays or is replaced.

I am looking forward to the 1967 reunion in October. I am sorry to hear that **Mrs. Mila Nolan** has died. She, along with **Mr. Stamm**, [was] my music teacher. GOD BLESS.

**Jim Mularz** (June 1967)  
Locust Grove, GA

*[Note from the TAA President: I have received many e-mail's concerning replacing the "Alumni Eagle" logo. We are looking to replace the eagle on the back of the newsletter which I designed 25 years ago when we formed the Alumni Association, not the Taft Eagle, which has been the symbol of Taft since its doors opened in 1939. I hope this puts everyone's fears about the Eagle to rest and inspire many of you artists to come up with something new. Kay Kuciak, President]*

## Remembering Our Teachers

**Subject:** Taft Alumni Newsletter

Guess what? The spring 2002 issue of the Taft Alumni Newsletter arrived today... I really enjoy reading the letter and often wonder how you manage to gather and keep track of all the news. I especially enjoyed the letters to the editor concerning **Dr. Buchwalter**. While I never took German, I did have Dr. Buchwalter for Latin for several years. It was a great class because, although she was really tough, she managed to fill in a great deal of Roman history along with the Latin studies. I too, shall always remember her and I appreciated her as a teacher very much. The letter from **Roy Rauschenberg** [June 1947] about Dr. Buchwalter was particularly interesting.

I also remember Mrs. **Christine Lauscher**. She taught English and was our Senior Class advisor. I was the Senior Prom Chairman and I worked closely with her. She guided us correctly and made sure that everything we did was appropriate. Her English classes were a delight too; she instilled a genuine interest in reading in me.

Thanks again for doing a great job on the newsletter.

*[Editor's Note: Thanks for the kind remarks. The greatest source of history on Taft and its teachers and students is from our own alumni. Please keep the letters, photos, emails, etc. coming! We all enjoy them. J. Bloom, TAA newsletter editor]*

Hi, Kay & Tom

This is to inform you as of July 29, 2002, I will have a new mailing address. [I] close on my house here in Tenn. 7-19, & the new one in Illinois 7-26. Yes, am moving back "home" to Illinois. My family is beckoning me to come back, especially my grandchildren. So, next month I make the move.

Also, want to tell you, how much I enjoy this newspaper & all the interesting articles. Reading about some of the teachers whose names are familiar to me, brings back a lot of nice memories. Enjoyed reading about **Miss Devenish**, as I had her for sewing & foods classes. Along with **Miss Nielson**. [I] think about some of the teachers & wonder if some are still with us. One I often think of is **Mrs. Suter**. She taught Science. One in particular, is always in my thoughts, & probably with a lot of other alumni, is **Mrs. Walker** [Phys.Ed]. We kept in touch until her passing. She was a wonderful person/teacher.

Thanks so much for all your hard work with this paper. Your efforts are extremely appreciated. Thanks for sending the one edition of the paper [thought I'd lost it]. And of course, after receiving it, I found the other.

Always the way. Still haven't found what I was looking for. Went thru a lot of past issues, & know I read about a particular person, & to this day, cannot find the information. Think I wrote you about it, & wondered if you ever found out anything about him? His name was **Ron Schilke**. He's a cousin to **Marcia Murray**. She graduated after me, & he graduated before. Think Ron graduated in 1953 or 54. Not sure. If you should happen to come across anything about either of them, would you please let me know? [I] lost track of Marcia after graduation. Know her family [& she] moved to Deerfield. Last I knew of them.

Thanks for all you do to make the paper a huge success, & for any help you can offer me about Ron & Marcia.

Hi,

How great that **Dr. Buchwalter** (German), **Mr. McCalmont** (chemistry), **Mr. Osborne** (U.S. History) are remembered. May I add **Chrissie Loscher** who taught us impeccable punctuation and usage – as seniors.

**Jean (Whitehead) Smith** (June 1946)

Dear Editor & Staff:

I appreciate your marvelous good work in publishing the Taft Alumni Newsletter. I have told friends about my high school alumni newsletter, I've shown it to them. All wish their schools had an alumni association and publication.

In a recent letter to the editor someone mentioned Mr. Dolnitsky. He was my home room teacher – what a character. Total uncontrol!

During my years at Taft yearbooks were not allowed. I've never really known why. What a shame.

I continue to work at a seasonal job April to December. I make reservations for individuals coming to Branson. Working these months keeps me busy, then I really enjoy my winters at home. Branson is a great place for seniors to find employment, whether its for necessity or just something to do.

**Barbara (Roess) Siwik** (June 1953)

spent 4 years as Latina Peer Facilitator, bringing the awareness at Taft to issues such as diversity, racism and stereotype. Although she was accepted at three different universities, she decided to follow her brother's example and accepted to enroll at Iowa State University in Ames, IA, majoring in Speech Pathology with a minor in Latino/a American Studies.

We would like to encourage any other classes who might unfortunately lose a classmate to consider setting up a scholarship fund in memory of their classmate. It's easy to do. Checks should be made out to the Taft Alumni Association and sent to TAA at Taft's address, with a complete note of explanation as to whose memory the scholarship will be, their class, etc., and a contact person with address and phone. If there is a specific criteria for the recipient, the scholarship committee will abide by that, or a person(s) representing the group could certainly be involved in the selection.

## Parade Marshall from Taft

Norwood Park's annual Memorial Day parade this year honored former Taft teacher, **Joe Giambrone**. Besides teaching business courses at Taft High School for 17 years, he previously taught at other Chicago schools 13 years, and then retired to go into selling real estate full time. He is president of the Norwood Park Citizens Association, treasurer and past president of the Norwood Park Memorial Association, past commander of American Legion Post 740, and past president of the Norwood Park Chamber of Commerce and Industry. He also worked ten years for the Cook County's Sheriff's Department.

Joe was also involved with many local groups, such as the Lions, Kiwanis, Norwood Park Garden Club, Italian American Police Association and Park Ridge Veterans of Foreign Wars.

However, the honor of heading this year's parade was mainly due to his service in the Army Air Corps during WWII. With his training as a gunner, he was assigned to a B-17 squadron that was based in England and flew 32 missions over Nazi-held territory in France and Germany. We are proud to have had the opportunity to honor this dedicated man.

## New Members Wanted

The Taft Alumni Association is always looking for alumni who are not currently members of our Association. If you know anyone who is not a member, please contact the Taft Alumni Association, 6545 W. Hurlbut Avenue, Chicago, IL 60631 or e-mail us at [taftalum@cox.net](mailto:taftalum@cox.net).

## Taft Library Updated

Thanks to the efforts of Taft librarian, **Jeanette Mehr**, we will be getting a new 3M detection system to help the library reduce losses of valuable library materials. She applied for a special grant through the American Association of School Librarians and was one of 112 middle and high schools in the United States to receive this grant, which amounts to approximately \$15,000 for Taft. It is part of the 2002 3M Salute to Schools program. The system is anticipated to be in place for the upcoming fall semester.

## NJROTC Marquez Memorial Award

A special honor was awarded last month to a deserving NJROTC student, Roberto Cuevas (class of 2005). This memorial award was created this year by Taft's Naval JROTC program in honor of Chicago Police officer Donald J. Marquez who was killed in the line of duty in March 2002. He was a resident of Oriole Park area and his wife a member of the Taft office staff. Their son, Donald, Jr. attends Taft H.S. Each year the NJROTC will present this award to a cadet who shows dedication, devotion and commitment in their duties with the NJROTC

"The Taft High School Navy JROTC is one of the top Naval Junior Reserve Officer Training Corps unit in the city. The Taft Eagles earned the Distinguished Unit Award, given by the chief of Naval Education and Training. The award is given to the top 20 percent of the more than 500 units nationwide."

*[Alan Schmidt, staff writer, Edison-Norwood Times, Pioneer Press; May 30, 2002 issue].*

## Classmates In the News

Did you see the nice article on **Jim Downing** (January 1943) that was in the May 16, 2002 issue of Edison-Norwood Times (Pioneer Press)? It highlighted his experiences in the Navy Armed Guard during WWII and his years afterwards of teaching acting and ballroom dancing in Park Ridge and Edison Park. He is currently volunteering as storyteller at Ebinger Grammar School, where he and his brothers attended as a child during the Depression years.

## Lost Classmates

Searching for old classmates for whom you've lost touch? The Taft Alumni Association does not provide names or addresses of alumni from our records other than for legitimate class reunions. However, we can help you in **your** search by publishing names in this newsletter. If that party responds to us, we forward that person's name/address to you.

The suggested donation for this service is \$5.00 per name. Send your request and/or response to Taft Alumni Association, c/o Taft High School, 6545 W. Hurlbut Ave., Chicago, IL 60631.

## Why Pay Dues?

The Taft Alumni Association is run by a group of dedicated volunteers who continue to hold a special attachment to Taft, even years after graduation. The membership dues are used to cover costs of maintaining alumni records, publishing quarterly newsletters and coordinating reunion plans. We endeavor to furnish an annual scholarship to a deserving senior financed through special donations. Through membership dues, fundraisers and donations, we have occasionally sponsored productions at Taft to encourage continuing interest in the drama department. A special drama workshop headed by a Taft alumnus and our Taft students performed a specially written play in 1994.

Also, we have provided funds for buying hats and overlays for the marching band and a laser printer for the journalism department. Four new trophy cases sit in the Hall of Fame area just off the front entrance of the school (Hurlbut Avenue side) with our support. The free-standing sign at the corner of Hurlbut and Northcott is also a new addition, thanks to "your" funding through dues.

It is an advantage to have your name listed in our alumni file, so it will be available for a class reunion when one of your class members (or even you!) decide to probe such a possibility. With Alumni Association guidelines and assistance, this venture is much easier to arrange.

Membership dues to become a member of the Taft Alumni Association are \$15 bi-annually. Why bother? What do I get from it? Yes, I'm already an alumnus, so why do I need a "membership card"?

As "Sponsoring Alumni" you can help make this association the largest, most responsive group of high school alumni in the area. It is a fact that Taft graduates are dedicated to the school's principles and carry forth a tradition with which few other high schools can compare. We obtained our roots at Taft and they are strong and enduring. **Any non-paying Taftites reading this are invited and encouraged to join the 3,500 supporting Eagles.** We've held this cost down for quite a while now, and hope to continue to provide the best service for the lowest cost possible to allow more alumni to continue to participate.

We go forward with pride and determination. Helping where needed, the Taft Alumni Association works closely with the PTA and Local School Council. Your financial aid will strengthen our treasury and give additional confidence to our alumni volunteers.

You were an Eagle in high school. Now join the Alumni Association and soar like an Eagle for the rest of your life!

## Do You Remember?

By *Juanita Amado Phillips (1958)*

We went to school each day by bus. You could obtain a buss pass from your homeroom teacher each semester that would allow you to take the bus for ten cents a ride. Parking a car was for faculty only and if you were lucky enough to drive a car, you had to register it with Mr. Miller and part it on the street.

Twice a month on a Friday night, there was a dance held in the gym. There were dance instructions from 7:30 to 8:30 and General Dancing was from 8:30 to 11:45 p.m. The cost was \$.50. Girls were to wear ordinary street dresses, no slacks or jeans. The boys were to wear suit coats and ties. If you were to go to the "show", you would go to the Times Theater or the Gateway Theater in Jefferson Park or the Pickwick Theater in Park Ridge. There was an Outdoor Theater at Harlem and Irving. The Hub Roller Rink was a popular place to go as well as Riverview, where if you went on certain days, the rides were only five cents.

Pizza was very popular then as it is now. Favorites were Orsi's in Edison Park, Canale's on Higgins Road near Harlem, El Centro at Elston and Central and Brigante's Salad Bowl on Harlem at Belmont. If you wanted a hot dog or hamburger, our Arnold's was Super Dawg at Nagle and Milwaukee, which is still there.

We listened to music by Elvis Presley, Pat Boone, Kingston Trio, the Four Lads, Four Aces, etc. and we heard it on the Howard Miller radio show. The clothing that the girls wore were felt shirts, white bucks, saddle shoes, peter pan collared blouses with a little bunch of flowers pinned at the neck. We had scarves tied to our pony tails. The guys would have crew cuts, or DA's, draped pants, box-toes shoes, pink shirts with T.C. collars and skinny ties. They also wore white bucks and, if they were not going with a particular girl, they wore their letterman's sweater or she may be wearing it.

You took an active part during high school by being a part of sports, cheerleading or R.O.T.C., French, German or Spanish clubs, drama, chorus, orchestra and band, chess science or inventors clubs, or worked on the Taft Trib, at the Box Office, the Aerie (yearbook) or be a teacher's helper. Several worked as hall guards or in the lunchroom.

The "TAFT CODE" was presented to help smooth the way of life in the area where student, teachers, and parents meet – that they may do the right thing at the right time and in the right way. DO YOU REMEMBER THAT?

Our winner will receive an exquisite crystal eagle and the satisfaction of seeing his or her creation featured on new TAA items.

Deadline: Submissions must be received by September 1, 2002. The lucky winner will be announced in the Fall issue of the Newsletter

We have a large inventory of Taft yearbooks, the majority of which are dated 1943 (2), 1982 (7), 1984 (1), 1985 (35), 1986 (72), 1987 (93), 1990 (45), 1992 (123), 1993 (2), 1994 (29), 1995 (152), 1996 (17), 1997 (1), 1998 (1), 1999 (146), 2001 (156). We would give them away in exchange for a donation of \$25 to the alumni association scholarship fund. They would make great door prizes for reunions.
